

3-for-1 MEETING

Optimal Healthcare with Integrative Medicine & Dentistry

November 8-10, 2018

Red Rock Resort | Las Vegas, NV

THE COLLABORATION

Due to the increasing prevalence of multi-caused health problems, [ACAM](#) & [AAPMD](#) joined forces in 2016 to hold the first collaborative medical and dental healthcare meeting. Now, in 2018, our mission for a united front takes stride as we welcome the like-minded [AAOSH](#). Our goal is to bring the best forward-thinkers, speakers, and companies to this meeting and to bring to light the clinical research and data to support change to the way we think about health. Come be a part of a NEW WORLD of medicine and dentistry in this 3-for-1 event. Register under your primary organization and enjoy access to all three meetings and the joint exhibitor Learning Floor.
